

Atari® Partners with ICICB Group and Grants Licensing Rights to Build Atari Hotels in Dubai, Gibraltar, and Spain

Paris, March 10, 2021 – Atari®, a world-wide known producer in the industry of consumer brands and interactive entertainment products, announced today that it has entered into a license agreement with ICICB Group for the development of Atari branded hotels. According to the agreement, the first hotels will be constructed at selected locations outside the US, with Dubai, Gibraltar and Spain being the first countries to host the Atari hotels. The licensing agreement was concluded with ICICB Group, a multinational holding group, with diversified portfolio, which has presence in the majority of prime markets around the world. This agreement with ICICB Group is in addition to the licensing agreement of January 2020 already entered into with GSD Group and covering eight cities in the USA.

Under the provisions of the agreement, Atari is entitled to 5% of the revenues generated from the hotels. In addition, Atari is entitled to receiving an amount of US\$0.5 million, in the form of a non-refundable advance payment and consulting fees.

ICICB Group specializes in bringing forth innovative solutions and projects, while targeting the transformation of the digital world. The Group, by utilizing practical content and state-of-the-art technology, is active in many sectors that include, among others, digital banking, crypto trading and finance, commercial real estate, security, and luxury items. ICICB Group is dedicated to offer innovative products and services that leverage Artificial Intelligence, by concluding partnerships with some of the world's most known companies.

Atari hotels will be designed in accordance with the latest trends in hospitality industry. With sophisticated style and modern twists, the common areas will immerse visitors into the video game universe and the Atari brand. The hotels will feature Atari gaming playgrounds, several function rooms, co-working areas, fine restaurants and bars, a bakery, a movie theater, as well as a gym. The design of Atari hotels targets both, those who travel for business and those who seek please and entertainment, by offering an all-in-one luxurious and entertaining experience.

Atari reserves the rights for the development of similar hotels in United States and worldwide.

Disclaimer:

Upon the conclusion of the licensing agreement between Atari and ICICB Group, there are certain aspects that remain inherently uncertain. These include, among others, the realization of plans, the operational budget, as well as the plan relating to finances. The non-realization of these assumptions may have an impact on their overall value.

About Atari:

Atari, an affiliated company of Atari SA and its subsidiaries, constitutes a worldwide entity focusing in offering interactive entertainment and multiplatform licensing products. Atari was founded in 1972 and since then, the company forms a leading innovation-driven brand in the world of video games.
